Press Note.

The attention of Government has been drawn to an article in a local newspaper regarding the exemption of vehicles engaged in the conveyance of foodgrains from payment of tolls as per notification dated 14th September 1951, under the Mysore Motor Vehicles Taxation and Tolls Act, 1951. Government wish to point out that the exemption now granted applies to vehicles engaged by Government for the transport of foodgrains both on the forward and return journeys, whether loaded or unloaded. It must however be remembered that the exemption is subject to the production of a Certificate by an Officer of the Food Department duly authorised by the Director of Food Supplies, specifying the route. This exemption applies to Municipal Tolls also. Government believe that this information will remove the ambiguity, if any, in respect of the notification under reference.

Fur fulfilling the abovesaid objects the fund of Rs. 2,000 was allotted for this region.

The Committee called for the applications from ex-service women who required financial assistance. Nearly 160 applications were received by the Committee and the same were classified in the following group according to the nature of help they wanted :—

The Government of India, Ministry of Defence, have communicated to this Government that 25 per cent of the amount of the Flag Day Collections made in this State on 7th December 1950, has been re-allotted to this State for the alleviation of the distress amongst Ex-servicemen and their families. This sum will be obtained and credited to the funds of the Mysore Soldiers' Board for disbursement among ex-servicemen and their families. The money will be utilised for the following purposes :—

(1) Giving financial assistance to Ex-servicemen and their families who are in extreme distress;
(2) Scholarships for the education of children and dependants of Ex-servicemen whose claims for scholarships have not been considered by the Education Department;
(3) Individual grants to the personnel who are permanently disabled from wounds received in action;
(4) Individual grant to the family of a deceased person.

As a portion of the collections made will accrue to the benefit of the Ex-servicemen of our State, more liberal contributions will greatly help this State to get larger amounts for the laudable and humanitarian purposes referred to above. "Flag Day" will be observed on Friday the 7th December of this year (1951) and collections will be made on that day by issuing for sale small paper token flags and paper flags for cars. As the contribution made by the public will be utilised for ameliorating distress among Ex-servicemen of this State, an appeal is now made to the public to contribute generously for the "Flag Day Fund". The Deputy Commissioners and other Officers and the staff who organise the collections are also requested to make every effort to make the "Flag Day" a success and spare no pains to make as larger a collection of funds as is possible.

ENTRIES IN THE DEATH AND OTHER CERTIFICATES.

In the issue of death and other certificates from the Office of the Registrar-General of Births, Deaths and Marriages, the various entries, etc., have to be investigated before such certificates can be issued. If all the details are supplied beforehand by the applicants, it would be possible for that office to issue the certificates within a fortnight of the application. Where such details are not forthcoming the papers will have to pass through various officers involving a great delay. Hence applicants are requested to fill in all the details necessary before submitting their applications, and wait for a fortnight at least before they

can obtain such certificates. It may be remembered that there will not be any delay at any stage if all the required details are recorded at the time of registration of either the birth or the death.

MAHATMA GANDHI AND TRADE MARKS.

The following Press Note, dated 2nd August 1951, issued by the Ministry of Commerce and Industries, New Delhi, is republished for general information :—

"Instances have come to the notice of the Government of India where the name or representation of Mahatma Gandhi has been used *in trade marks* and for other business purposes. While it would be possible to take action under the Emblems and Names (Prevention of Improper Use) Act, 1950, to stop such practice, the Government of India consider that legal measures should not be necessary where the Father of the Nation is concerned and that public opinion and the good sense of the business community should be sufficient to prevent the exploitation of his name. The Government of India, therefore, hope that whenever such instances come to the notice of members of the public they will draw the attention of the persons responsible to the desirability of discontinuing the practice. Members of the public may also bring such instances to the notice of the Government of India, Ministry of Commerce and Industry, or of the State Government concerned, with a view to suitable action being taken."
